

Joining a BlueJeans meeting from an iPad or iPhone, without showing your video

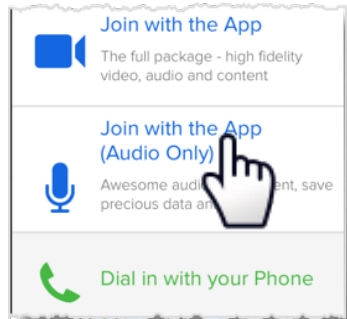

1. Click to join from your email or calendar event:

Email Invitation

Calendar Event

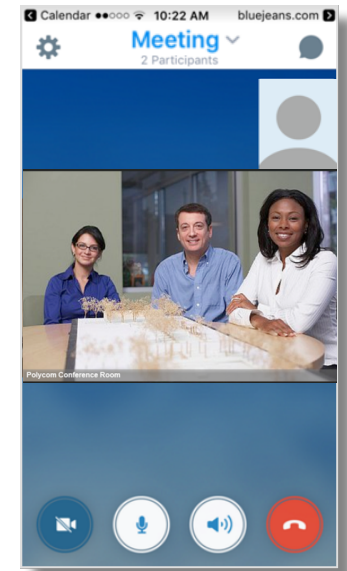

2. If using BJN App for first time, click “Join with the App (Audio Only)”, and download the App:

If BJN App already installed, slide “Video On” to **left (Off)** & click Join Meeting:

3. Your Camera will be muted: You will be able to see others (and content):

Also, Mute your mic when not talking:

4. Slide panel up if you see “low bandwidth” alert, this will improve your meeting quality:
